Sir,

I have the honour to state that one Mr. K. V. Iyer (of Messrs. K. V. Iyer & Sons, Proprietors of Chamundi Match Facto Mysore), has presented the documents necessary for the registration of a company under the name "Chamundy Match Factory, L under the Mysore Companies Regulation with an authorised capit of Rs. 1 lakh divided into 20,000 shares of Rs.5/- each. Acco ing to the Memorandum of Association, one of the objects of th proposed company is "To acquire the going concern of "Chamundi Match Factory," Mysore, with the good-will of Messrs. K. V. Iy & Sons (the present proprietors) and also the concessions to b given to the said Match Factory by the Government of Mysore by allotting to the said Messrs. K. V. Iyer & Sons 600 fully paid shares of the company."

2. From the above, it is clear that Messrs. K. V. Iyer & Sons are speculating in some concessions (which they hope to g from Government) and to hold out the prospect of such a conces to the public as an allurement. I feel a doubt whether it is appropriate for the company to hold out such inducements and t drag in the name of Government into the matter. I, therefore, request to be informed whether the company may be registered o whether the promoters may be directed to modify their Memorand of Association by deleting the clause relating to prospective

concessions "to be obtained from Government."

I have the honour to be,

Sir,

Your most obedient servant,

Sir,

I learn that the papers in connection with the regisrtation of this Company have been sent to your office by the Registrar of Joint-Stock Companies, in Mysore, Bangalore..

In this connection I beg to explain that the Proprietor of the Factory whose concern has been acquired by this Company was in correspondence with the authorities praying for a piece of land to be given to him free of cost for constructing the factory in the City of Mysore. If this piece of land were to be given to him by the Government, as prayed for, that site also shall have to be giv away to this Company by the said Proprietor. This is the object o having mentioned the clause viz. " and also the concessions to be given to the said(~~Company~~) Match Factory by the Government of Mysor in item (e) to para 3 of the Memorandum of Association of the Comp

If registration could not be effected, as it is, the promoters of the Company are willing to delete the clause in question. I the fore request you to please cause the papers to be returned to the Registrar permitting the registration of the same

For which act of kindness I shall feel much obliged.

I have the honour to b
Sir,

Your most obedient servan
